# Pension E-News

January 29, 2021

CTPF is committed to doing our part to stop the spread of COVID-19. For the health, safety, and wellbeing of all CTPF Members, the Fund continues to deliver all member services remotely. Our Member Services counselors are taking calls in "real time" during normal business hours. The physical office remains closed to all but essential employees whose duties cannot be performed offsite. In-person services and counseling are suspended until it is safe to resume these operations.

**Holiday Office Closings:** The office will close for the President's Day Holiday on February 15, 2021, and reopens at 8:00 a.m. on Tuesday, February 16, 2021.

## Staff Updates

Mary Cavallaro, Interim Executive Director, retired on January 20, 2021. Board of Trustees President Jeffery Blackwell said, "Mary was a respected leader who earned the trust of the Board of Trustees, members, partners, and staff. She joined the Fund in 2009, and has served in multiple roles at CTPF - and had a demonstrated track record of success in every role she has filled at the Fund. We appreciate her leadership skills, institutional knowledge, operational expertise, and collaborative style, that served the Fund so well for nearly 12 years. We want to thank Mary for her service and wish her the best of luck in her well-deserved retirement."

The search for a permanent leader for the organization is underway, and is expected to take several months. The Board of Trustees will discuss interim leadership for the organization at their next meeting. The search for the permanent Executive Director is being managed by EFL Associates.

## Trustees Vote to Make Juneteenth a Paid Holiday

During their January 21, 2021, meeting, the CTPF Board of Trustees voted to make Juneteenth, the country's second independence day honoring one of the final acts of the emancipation of slaves in the United States, a regular paid holiday for CTPF staff. Though it has long been celebrated among the African American community, this history has been marginalized and still remains largely unknown to the wider public. Juneteenth is celebrated annually on June 19. The holiday was first celebrated by the Fund in 2020.

CTPF Board of Trustees President Jeffery Blackwell noted that, "we must vow to do better to address and dismantle racism and systemic inequality in all of our communities, our places of work, and in this world. This may be challenging and uncomfortable work but it is essential. We must collaborate, educate, create, and stand for a more equitable and just society. Celebrating Juneteenth is just one step forward, and I am proud to see our Trustees take this action."
