Volatile Market Update

The war in Ukraine shaking global financial markets, and volatility is expected to continue as the markets react. Members may be concerned about the security of their pension.

"I want to restate for our members that even in the face of this turmoil, CTPF pensions are secure," stated Carlton W. Lenoir, Sr., CTPF Executive Director. "When members vest, they qualify for a lifetime pension, guaranteed by the Illinois Constitution. Pensions are determined by a formula, and do not change with market conditions. There is also no immediate impact on our funded ratio. We are still on a path to 90% funding by 2059."
