CTPF Trustees begin Office Relocation Negotiation

CTPF's current lease at 203 North LaSalle Street, where it occupies the 26th floor, ends in 2021. CTPF began the process of considering options for renewal or relocation on March 22, 2017, when it issued a Request For Proposal (RFP) for a real estate broker to help evaluate options. Through the competitive RFP process, CTPF selected and engaged CBRE Group, Inc. (CBRE), a well-known, commercial real estate services and investment firm with a headquarter in Chicago, to conduct a needs analysis and to explore current and alternative location options.

CBRE shared their recommendations with the CTPF Board of Trustees for consideration, which included renewing the lease at 203 North LaSalle Street, as well as two additional possible locations.

Based on extensive analysis, the CTPF Board of Trustees determined that moving the Fund to a new location is optimal, both financially and operationally. On Thursday, October 18, 2018, the CTPF Board of Trustees voted to enter into negotiations with a new downtown location, the official announcement of which is subject to negotiation.
