Addendum 1 to the RFP for Data Assessment and Migration for a New Pension Administration System

December 31, 2020

The following corrections have been made to the above-referenced RFP:

1. Page 9 – Under Section IX. (D), the following sentence has been deleted as it was included as an inadvertent error: “g. Provide a timetable for each step of the procurement process, complete with estimated hours and completion dates.”
2. Page 15 – Under Section XI. (A), the following sentence in the third paragraph has been deleted as it was included as an inadvertent error: “The PAS RFP Oversight consulting team must consist of individuals with in-depth experience across multiple technologies.”
