Addendum 1 to the RFP for FIDUCIARY COUNSEL LEGAL SERVICES

The following revision has been made to the RFP for Fiduciary Counsel Legal Services:

1. The timeline published in the RFP, **Sections IV. TIMELINE** and **VII SUBMISSION GUIDELINES** are amended as follows: The deadline to submit written proposals in response to the Fiduciary Counsel Legal Services has been extended to Friday, **February 25, 2022, 12:00 PM (CDT)**.
2. **Section III. SCOPE OF WORK** is amended as follows: **Please note that fiduciary counsel to the Board of Trustees and/or fiduciary counsel's law firm, will not be retained to represent the BOT or CTPF in any litigation matters, other than litigation matters as to which such counsel or law firm is representing the BOT or CTPF, or related matters, at the time this contract is awarded. Fiduciary counsel *may* represent the BOT or CTPF in any ongoing or future non-litigation matters.**
3. The following condition of **Section X(b)(i) PROPOSAL EVALUATION** has been stricken, and is inapplicable to this RFP: **"Please note that if you already provide services to CTPF that would be considered a conflict of interest."**
4. Current legal service providers engaged by the CTPF may submit a written response to the RFP, and are not deemed to possess a conflict of interest.

An updated version of the RFP has been posted which contains the changes to the foregoing sections of the RFP for Fiduciary Counsel Legal Services.
