EXECUTIVE DIRECTOR’S MESSAGE
In the midst of all of this, WE CONTINUE OUR WORK. We are LOOKING TOWARDS THE FUTURE and BUILDING out a FRAMEWORK to return to our physical office space and CONTINUE TO THRIVE.

Here at home, we are experiencing a decline in COVID-19 and spring is here. While it is hard to trust that normal life lies ahead, it does feel like we have turned a corner. Hope abounds.

However, like many of you, I am watching the horrific and unprovoked attacks unfold in Ukraine and condemn the acts of aggression and violence against the Ukrainian people.

CTPF is responding to the tragic events in Ukraine. We joined the international call for peace and hope for an end to this conflict. After careful examination of our investment portfolio, at a Special Meeting of the Chicago Teachers’ Pension Fund on March 10, 2022, the Trustees passed a resolution withdrawing investments in Russia and supporting the Ukrainian people. Our action is but one way that we as a pension fund can support the Ukrainian people in their time of need.

While the market has been turbulent, as a reminder, CTPF pensions are secure. When members vest, they qualify for a lifetime pension, guaranteed by the Illinois Constitution. Pensions are determined by a formula and do not change with market conditions. There is also no immediate impact on our funded ratio, and we are still on a path to 90% funding by 2059.

In the midst of all of this, we continue our work. We are looking towards the future and building out a framework to return to our physical office space and continue to thrive. We look forward to being together again this spring when we return to the office on a hybrid schedule. Watch our website for important updates on spring meetings and office hours.

Here at CTPF, we believe in the power of many. We work together as a team to accomplish our goals. We are all proud of the actions our Trustees have taken on behalf of the Fund’s members to support the people of Ukraine. I hope that each of you reading this will find your own way to support the Ukrainian people, as we move towards restoring peace and stability in Europe. We are all citizens of the global community, and we stand together.

Carlton W. Lenoir, Sr.
Executive Director

CTPF MAKES AN IMPACT

CTPF members make an impact that extends far beyond the classroom – active and retired educators are also consumers, taxpayers, voters, and investors – who live and work primarily in Chicago and communities throughout Illinois. Each year, CTPF calculates estimates of its members’ total economic impact and the jobs supported by payments to annuitants.

CTPF has released its 2022 Economic Impact Study, The Buck Stays Here. The report details the economic benefit pensions have on the City of Chicago and the State of Illinois. CTPF annuitants receive $1.4 billion in direct payments which generate $2.0 billion in economic impact for Illinois. Payments to annuitants help support 13,583 jobs in Illinois including 6,873 in the City of Chicago.

The report includes a breakout of pensioners by legislative district and by Chicago Aldermanic district. The study used standard economic multipliers from the U.S. Department of Commerce Bureau of Economic Analysis to assess the economic impact of spending.

BOARD OF TRUSTEES ADOPT UNANIMOUS RESOLUTION

At a special meeting of the CTPF Board of Trustees on Thursday, March 10, 2022, the Board passed a resolution withdrawing investments in Russia and supporting the Ukrainian people.

CTPF has examined its investment portfolio and identified $4.5 million in securities and corporations domiciled in Russia. The Board of Trustees concluded that these investments in Russia present an unacceptable level of investment risk and are no longer prudent investments for the Fund’s portfolio. These investments represent a de minimis amount of the Fund’s $13 billion portfolio.

“The Trustees condemn in the strongest possible terms Vladimir Putin’s illegal invasion of the sovereign nation of Ukraine and apparent targeting of civilian populations. The Board’s action is the strongest statement we can make on behalf of our members that Russia’s aggression will not be tolerated, and to show our support for our Ukrainian friends and neighbors here at home and abroad,” stated CTPF Board President Jefferey Blackwell.

“The devastation being inflicted on the people of Ukraine is inhumane as they are forced to endure loss, destruction, and death that war brings. Russia’s unprovoked actions should not be tolerated,” stated CTPF Executive Director Carlton Lenoir. “While it is clear that the people of Ukraine are strong and united as a nation, our action – divesting from investments in Russia is but one way that we as a pension fund can support the Ukrainian people in their time of need.”

DISTINGUISHED SERVICE AWARDS

During their February 17, 2022, meeting the CTPF Board of Trustees thanked Trustees James Cavallaro and Gervaise Clay for their service and presented them with Distinguished Service Awards.

James Cavallaro was elected to represent teachers from 2018-2021, he served on several committees including Communications, Elections, Return to Work and chaired the Technology Committee. Gervaise Clay was elected to represent active teachers from 2018-2021, she served on several committees including Claims and Service Credit, Finance and Audit, Pension Laws and Administrative Rules, Technology and Chaired the Disability Committee.

YOUR HEALTH MATTERS:
ANNUAL WELLNESS REMINDER
All members who are enrolled in a CTPF Medicare health insurance plan qualify for an annual wellness visit once per calendar year covered at 100% of the Medicare-approved amount, when you see an in-network doctor. Members who participate in the Humana HMO must see their PCP to receive the visit at no charge.

An Annual Wellness Visit (AWV) is a yearly appointment with a healthcare provider (PCP) where you can create or update your personal health plan and to make sure you are taking all the steps necessary to preserve and maintain your good health.

During your annual wellness visit, your health care provider may check your blood pressure and height and weight (together your height and weight make up your body mass index, or BMI), and physical and emotional wellbeing. Your health care provider may also talk with you about any recommended tests or screenings, and answer questions or concerns you may have. It’s also an opportunity to make sure you are up-to-date on recommended vaccines.

Contact your health provider/doctor today to schedule your annual wellness visit. Need help locating a Primary Care Provider? Check your health plan’s website or call the number on the back of your health insurance card for assistance.

OUTSIDE REBATE WEBINARS
CTPF offers a partial rebate of health insurance costs for members who are not enrolled in a CTPF health insurance plan. Applications were mailed March 18, 2022, and detail documentation requirements. Rebates are processed in the order received, starting in June. Members should return applications as soon as possible to ensure timely payment and to mitigate any delays due to inadequate proof or missing documentation. The deadline to submit applications is August 31, 2022. CTPF will accommodate applicants who need additional time to complete applications by extending a grace period to September 16, 2022. Applications postmarked after September 16 will not qualify for a 2021 rebate.

APPLICATION ASSISTANCE WEBINARS
CTPF will offer webinars April 19 at 1:30 p.m. and April 22 at 10:00 a.m., that will walk members through the process of applying for an outside rebate. The form needs to be signed in the presence of a notary, and CTPF recommends making a copy for your records. The original, notarized copy should be submitted to the CTPF office. REDEFINING RETIREMENT: LIVING LIFE WITH VISION & LAUGHTER

Former CPS teacher, CTPF past President, and Trustee Jay Rehak retired after an illustrious 34-year career. Day one of retirement he jumped right into projects that he always wanted to get to but could not find the time.

During his teaching years, Jay authored the hit book series, Sideline, the story of a 12-year-old entrepreneur who helps her dysfunctional family survive. He also wrote 27 short plays and authored or co-authored 10 novels. In 2013, he created and co-authored the award-winning 30 Days to Empathy, the world’s first high school class sourced novel. His book How to Write a Class Sourced Novel is widely used in high schools throughout the United States.

Jay is full of vision and creativity. As he headed for retirement, he commented, “I thought about what I find personally fulfilling and how I could continue to make my ideas a reality.” He suggests that the time to start thinking about how you want to live when you retire is before you make that transition. Read more of his story at ctpf.org/redefining-retirement.
