June 1, 2022, AARP Medicare Supplement Plan F (UnitedHealthcare) Rate Increase

Members who participate in the AARP Medicare Supplement Plan F (UnitedHealthcare) recently received a letter from UnitedHealthcare (UHC) with information regarding a June 1, 2022, rate increase. Plan F premiums are based on age, gender, vary by geographic area, and are determined directly by UHC.

The increases range from \$0.10 to \$11.61 per month and vary by individual situation. A majority of participants will have rate increases of \$4.18 or less. The new rate quoted by UHC does **not** include a CTPF member's 60% health insurance premium subsidy or the cost of the Express Scripts Medicare Part D pharmacy benefit. [Learn more here.](#)

Medicare Scam: Don't Divulge Your ID Number When a Stranger Calls

The Illinois Department on aging is again warning Medicare recipients about Medicare fraud. Scammers call with a story about the Centers for Medicare and Medicaid Services (CMS) issuing more permanent plastic coverage cards, and asking card holders to confirm their ID number – this is false. New plastic cards are not being issued. You should not share any personal information – and with all phone calls asking for personal information the safest thing to do is hang up. [Medicare will NEVER call you for personal information over the phone. Click here to learn more.](#)

Preparing for Retirement

Here are a few steps to take now if you intend to retire in 2022:

- Download and complete a [Retirement Application Packet](#). Read and review the forms and collect your required documentation. Refer to the retirement checklist in the Application for Service Retirement to help gather the necessary documentation. An incomplete form will delay the processing of your retirement benefit.
- Review the slides and recorded version of the 2022 retirement webinar.
