CTPF Announces New Location and Official Move Date

As reported in the February edition of Pension News, CTPF is moving into newly renovated space at 203 N. LaSalle, Suite 2600. Renovations are nearing completion and the move will occur the weekend of May 20 -22.

The new space will bring all of our services onto one floor, house attractive new counseling rooms, an improved and more functional Board Room for Trustee meetings; and provide upgraded cabling and wiring.

The new office is located at the northeast corner of LaSalle and Lake, just two blocks west of our current building. It is easily accessible by public transportation and within walking distance of the Thompson Center, Daley Center, City Hall and the County Building, and six blocks from the Board of Education offices. There is a daily fee parking garage attached to the building.

To facilitate the move, **our office will be closed Friday, May 20** to allow sufficient time to disconnect all computers, servers, and the phone system. We will not be open for any member services on that day. We ask your patience and understanding that we cannot serve you on this day, but are certain that anyone who has ever experienced a move can appreciate the momentous task to be completed in three days time. We will reopen on Monday, May 23 ready to assist our members.

Although our street address will change, our phone number and fax number will remain the same.

We are excited about the move and the changes that it will bring, and look forward to serving you at our new office!
