Choosing a health insurance plan for you and your eligible dependents is one of your most important decisions. Chicago Teachers’ Pension Fund (CTPF) sponsors comprehensive plans designed to promote wellness and provide high-quality coverage at a reasonable cost. CTPF must be your final retirement system to be eligible for these plans. This Handbook is your resource for current information about the Chicago Teachers’ Pension Fund (CTPF) health insurance options, premiums, and changes to plans.

The Health Insurance Premium Subsidy is set annually by the Board of Trustees. The subsidy will remain at 60% in 2024. The subsidy is only available to eligible CTPF members. Dependent coverage is not eligible for the subsidy.

The 2024 Open Enrollment Period will run from October 1-31, 2023. During this time, annuitants can enroll, add or drop a dependent, or change a health insurance plan or carrier. Changes become effective January 1, 2024. All plans offered in 2023 will be offered in 2024. You do not need to take any action to stay enrolled. CTPF will host a week of webinars and audio presentations October 2-6 and a week of vendor presentations, October 9-13. A vendor fair will be offered in-person at CTPF on October 12. Plan vendors will be available to answer questions and provide plan information.

Register for a webinar at [ctpf.org/calendar](http://ctpf.org/calendar). Audio-only presentations will be dial-in and do not require advance registration. Registration is required to attend the Vendor Fair. Call Member Services at 312.641.4464 to register for a time slot.

Members must provide proof of COVID-19 vaccination and complete a health screening form before entering. Members will only be admitted during the time they are registered.

Webinars and presentation materials will be posted for on-demand viewing at [ctpf.org/open-enrollment](http://ctpf.org/open-enrollment) after the presentations. Please use this Handbook for the Open Enrollment Webinar and future reference.

*The annuitant cost is the amount paid for monthly coverage after CTPF applies the health insurance premium subsidy. The current subsidy is 60% of total premium cost.

^This is the amount a dependent pays for single coverage in special circumstances when only one family member is Medicare eligible. See [www.ctpf.org](http://www.ctpf.org) for additional information about couple coverage.

**Open Enrollment**

The annual Open Enrollment Period for the CTPF health insurance program runs from October 1 - October 31, 2023. During Open Enrollment, you may enroll in a CTPF health insurance plan for the first time, change a health insurance plan or carrier, exercise your one-time Opt-In option, or add a dependent to a health plan.

Changes made during this period become effective on January 1, 2024.

**Enrollment Forms**

Non-Medicare plans

Complete CTPF Form 350 at [www.ctpf.org](http://www.ctpf.org) to enroll in a Non-Medicare plan. Return all completed enrollment forms and required documentation to CTPF. Forms returned to an insurance carrier will not be processed.

If you cannot send in forms by fax or email, please return information to:

**Health Benefits Department**

Chicago Teachers’ Pension Fund

425 S. Financial Place, Suite 1400

Chicago, IL 60605-1000

**ID Cards**

Health plan enrollees receive health insurance ID cards by mail directly from their health insurance plan provider. ID cards are normally issued at the time of enrollment or when a health plan change is made.

If you need a replacement card, contact your health insurance plan provider directly. You can find contact information in the back of this handbook.

**Turning Age 65**

If you (or your dependent) plan to enroll in a CTPF Medicare plan, you will need to apply for Medicare three months before the month you turn age 65 to ensure timely enrollment.

To enroll in a CTPF Medicare plan, you must enroll in Medicare Part A and Part B, and provide CTPF with proof of enrollment before the month of your 65th birthday. Acceptable proof includes:

- a copy of the Medicare card, or
- an award letter with Medicare number from the Social Security Administration verifying enrollment, with effective dates

**Medicare Birthday Parties**

CTPF offers bi-monthly enrollment webinars to help members evaluate their Medicare health insurance options. Medicare “Birthday Parties” are held via webinars and eligible members and their dependents are sent invitations in the months prior to their 65th birthday. Please watch your mail for more details.
Who Can Enroll In A CTPF Plan?

CTPF annuitants and their eligible dependents may qualify to enroll in a CTPF health insurance plan. To qualify, CTPF must be the retiree’s final retirement system. An annuitant and/or dependent may initially enroll in a CTPF plan once in a lifetime, unless he or she experiences a qualifying event. *(See Special Enrollment Section)*

Upon the death of a member, survivors should notify the Social Security Administration and CTPF’s Member Services as soon as possible. Once reported, CTPF will send a packet outlining survivors’ health insurance options.

CTPF health insurance coverage continues for survivors currently enrolled as dependents following a member’s death. Qualified survivors become eligible for a health insurance premium subsidy. A survivor who does not want to continue coverage may voluntarily disenroll.

Qualified survivors may enroll in a CTPF health insurance plan within 30 days of a member’s death, and become eligible for a premium subsidy. CTPF sends enrollment information upon notification.

CTPF Health Insurance Plan
Dependent enrollment is contingent upon meeting documentation requirements, available at www.ctpf.org.

Couple Coverage
If you and a dependent are in a situation where one family member is covered by Medicare and the other is not and you both want CTPF health insurance coverage, you must enroll in corresponding Non-Medicare and Medicare health insurance plans offered by UnitedHealthcare.

Each family member must complete a separate application and pay the cost for single coverage in each plan. The premiums for single coverage can be found in the Plan Cost Comparison chart. When you both reach age 65, you may enroll in the same health insurance plan and pay the Member +1 rate. For more information on Couple Coverage and premiums for Medicare plans, please visit www.ctpf.org under Health Insurance/Enrollment Process.

* For the purposes of dependent eligibility, the term children includes natural, step, disabled, and legally adopted children as well as children for whom you have permanent legal guardianship.

It is your responsibility to notify CTPF in writing when your dependent no longer meets eligibility requirements.

* Dependent enrollment is contingent upon meeting documentation requirements, available at www.ctpf.org.
When Can I Join?

An eligible annuitant and/or dependent may initially enroll in a CTPF plan once in a lifetime, unless he or she experiences a qualifying event noted below.

### Initial Enrollment Period

You may initially enroll in CTPF coverage when one of the following events occurs:

- Within 30 days after COBRA continuation coverage ends, unless coverage is cancelled due to non-payment of premium.
- Within 30 days of the effective date of pension/survivor benefits.
- During the annual Open Enrollment Period (once in a lifetime).
- Within 30 days of first becoming eligible for Medicare.
- When coverage is cancelled by a former group plan through no fault of your own.

* If COBRA coverage ends December 31, 2023, you may enroll in a CTPF plan during the Open Enrollment Period, October 1 - 31, 2023. Coverage becomes effective January 1, 2024.

### Special Enrollment Period

In addition to the annual Open Enrollment Period, you have 30 days after a qualifying event to change plans or add an eligible dependent. Qualifying events may include:

- Change in permanent address that affects the availability of current coverage.
- Marriage/civil union or divorce/dissolution.
- Birth, adoption, or legal guardianship.
- Termination of a Primary Care Physician for HMO plan enrollees.
- Becoming eligible for Medicare.

Please indicate the qualifying event on CTPF Form 350 and include any supporting documents detailing your reason for loss of coverage.

### One Time Opt-In

Eligible members may re-enroll in a CTPF health insurance plan without a qualified change in status (marriage, birth, death, etc.). Members who want to rejoin a CTPF plan must do so during a CTPF Open Enrollment Period. A member applying to re-enroll must have proof of insurance coverage (medical and prescription drug) as of the first day of the open enrollment period (October 1), and maintain coverage through December 31 of that year. CTPF insurance coverage becomes effective the following January 1.

### 2024 Open Enrollment

The annual Open Enrollment Period is the time when you or a dependent can enroll in a CTPF plan or change plans. Open Enrollment runs October 1 - 31, 2023. Changes made during Open Enrollment become effective January 1, 2024.

1. Make sure you understand any plan changes.

2. If you are currently enrolled in a CTPF plan and you want to continue coverage, you do not need to take any action. Your coverage will continue.

3. If you or a dependent want to enroll or change plans, you must complete the appropriate enrollment forms. See the “How to Enroll” section of the comparison charts for plans not included on the enrollment form.

4. Return all completed enrollment forms and required documentation to CTPF. Forms returned to an insurance carrier will not be processed.

It’s important to keep CTPF informed if you have any of the following changes which may affect your enrollment status:

- Change of address for you or your dependents.
- Death of a spouse or dependent.
- Marriage, civil union, divorce, legal separation, annulment.
- Dependent loss of eligibility.
- Change in Medicare status, including turning age 65, becoming Medicare eligible before age 65, or loss of Medicare coverage for any reason.
- You have been awarded benefits under Medicaid (it is important that you contact CTPF once you are informed that you have been approved to receive any type of Medicaid benefits; a copy of your Medicaid award letter should also be sent to CTPF).
- Your health plan or prescription ID card does not reflect your current enrollment.
- Your pension deduction does not match your coverage or required premium.
How Do I End Insurance Coverage?

You can voluntarily end health insurance coverage at any time. Complete CTPF Form 350 by indicating your desired disenrollment date at least 30 days prior to the first day of the month when you want to end coverage. Your benefits will cease on the last day of the month.

If your request is received less than 30 days in advance, your coverage may not be terminated until the following month.

Please contact CTPF Member Services at 1-312-641-4464 with any questions.

Involuntarily Ending Coverage

Annuitant

An annuitant’s health insurance coverage ends:

- the last day of the month when eligibility requirements are no longer met,
- on the date you lose Medicare coverage due to non-payment of premium,
- on the date of death, or
- on the date of enrollment in an outside plan

A dependent’s health insurance coverage ends

- simultaneously with the termination of the annuitant’s coverage, or
- the last day of the month when eligibility requirements are no longer met

CTPF health insurance coverage continues for survivors currently enrolled as dependents, following a member’s death. See the Who Can Enroll In A CTPF Plan section for information.

Premiums will not be refunded for coverage ended retroactively due to late notification of ineligibility.

COBRA continuation coverage is a continuation of CTPF health insurance coverage when coverage would otherwise end because of a qualifying event. A list of qualifying events with the applicable continuation periods can be found on www.ctpf.org/COBRA.
Subsidy Program

CTPF retirees whose final teaching service was with the Chicago Public, Charter or Contract Schools may qualify for a partial subsidy of their insurance premiums. A member receiving a survivor’s pension may also qualify for a subsidy.

The amount CTPF can spend on annuitant health insurance is limited by state law. Each year, the CTPF Board of Trustees sets a premium subsidy amount. The subsidy for plan year 2024 is 60% of the total premium cost (certain limitations may apply). The subsidy is subject to change at the discretion of the Board.

Premium cost for dependent coverage is not eligible for the subsidy.

If you are enrolled in a CTPF Non-Medicare health insurance plan, your share of the monthly plan cost is deducted from your pension benefit.

If your monthly premium is $1,000, and the approved subsidy percentage is 60%, CTPF deducts $400 from your monthly pension for the premium cost, and pays the remaining $600 on your behalf.

If you are enrolled in COBRA continuation coverage, CTPF automatically applies the premium subsidy to your pension benefit. The necessary authorization forms must be on file with CTPF. Notify CTPF immediately if you terminate COBRA coverage to ensure CTPF ceases the premium subsidy.

Members enrolled in non-CTPF health insurance plans may be eligible for a subsidy, subject to maximum reimbursement amounts published annually. The maximum reimbursement amount will be based on CTPF’s least expensive Non-Medicare health insurance plan option.

An application is mailed in the spring to eligible members who are not enrolled in a CTPF health insurance plan. The subsidy is paid out retroactively for the year prior in an annual payment. Premium payment documentation is required and is explained on the application. If all supporting documentation is received and the member is entitled to a payout, the applications will be processed approximately 90 days after receipt. Payouts are performed at the end of each month. Be sure to look for the webinar notifications to assist in completing the necessary application and supporting documentation.

New deadline this year: The application and supporting documentation are due by September 30th each year.
Non-Medicare

Health Insurance Options for Non-Medicare Eligible Members

K

The following pages offer general descriptions of the types of health insurance options for CTPF annuitants who are not eligible for Medicare. All CTPF health insurance plans include comprehensive medical and prescription drug coverage. Specific plan information can be found in the plan charts.

~DK

CTPF offers the Blue Cross Blue Shield HMO Illinois plan. This plan includes both medical and prescription drug coverage.

The HMO does not have deductibles, coinsurance, or claim forms to file. All health care must be provided (except in emergencies) by doctors, hospitals, and pharmacies that belong to the HMO network.

The HMO requires you to choose a primary care physician (PCP) to coordinate your care. Your PCP can be an internist, general practitioner, or family practitioner. You have the option to change your PCP at any time (changes may not be effective immediately). You must seek a referral for specialty care and use network providers except in an emergency. A directory of providers is available online or directly from the HMO.

The HMO service area is limited, so consider this option carefully if you travel frequently, do not live in the same place for 12 months of the year, or have dependents living away from home.

~WWK

CTPF offers two PPO options, the Blue Cross Blue Shield PPO and UnitedHealthcare Choice Plus PPO. These plans include both medical and prescription drug coverage.

A Preferred Provider Organization (PPO) is a network of physicians, hospitals, and other professionals that have agreed to accept established fees from a health plan.

You decide whether or not to use a PPO network provider, but plans generally pay a higher percentage of covered charges for services within the PPO network.

*Specialty medications limited to an up to 30-day supply

---

**Pharmacy Benefits**

Each health insurance plan utilizes a formulary (a list of preferred prescription drugs). Formularies may change annually, so make sure you review your plan’s 2024 formulary to determine if your prescription expenses will change.
CTPF health insurance plans do not include dental coverage. CTPF annuitants may enroll in dental insurance offered through private insurers or a group plan through the Retired Teachers Association of Chicago.

CTPF may use protected health information known as (PHI) as provided in the Health Insurance Portability and Accountability Act of 1996 (HIPAA). PHI is health information that can be associated with a member using personal identifiers such as name or Social Security number.

In the course of providing health insurance benefits to our members and administering CTPF’s health insurance plans, CTPF may receive and create PHI. Disclosure of PHI is generally limited to activities associated with administration of health care benefits including plan enrollment, premium payments, and facilitation of plan coverage.

CTPF makes every effort to disclose only minimum PHI when necessary, in compliance with federal and state law and CTPF’s privacy policy.

A copy of CTPF’s Privacy Notice is available upon request by contacting the Health Benefits Department.

An authorized representative (AR) is a trusted friend of family member that you designate to assist with your CTPF health care services.

Assigning an AR now ensures that the people you trust can ask questions, discuss claims, and advocate for you in the event that you need assistance with these matters. An AR does not have power of attorney and cannot make care or treatment decisions.

Download CTPF Form 345 at www.ctpf.org/health-insurance-forms-publications, or call Member Services, 1-312-641-4464, to request one. Complete the form and return to CTPF.

Each insurance provider has its own process and designation form. Call the customer service number found on your insurance card for more information.

**myCTPF** is available to all CTPF members who complete the one-time registration process. Registered members create a unique User ID and password. Once an account is created, members can use myCTPF to securely access and download a 1099-R, pay advice(s) and view address/contact information on file with CTPF.

Access the system from a “button” at [www.ctpf.org](http://www.ctpf.org), and use your CTPF Member ID to register. Pensioners can find their ID on a pay advice.
HEALTH INSURANCE OPEN ENROLLMENT PERIOD | OCTOBER 1-31, 2023

Join us for an Open Enrollment Webinar

Please take our five-minute survey and share your thoughts about the 2024 Health Insurance Handbook at ctpf.org/2024survey.
